Dear Parents/ Guardians:

Please see attached links. Also, further clarification is located on our web page within our Operation Plan, as well as Governor Murphy's Road Forward.

<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html>

<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/types-of-masks.html#masks>

Face-coverings/Masks that have ventilation holes are not recommended as the likelihood of transmission of the Covid virus could increase. Those who wear any face-coverings/masks not aligned with the recommendation of the CDC, NJDOH, or Governor Murphy and The Road Forward, could not only compromise the health of themselves, but the health of others as well.

Again, an outbreak would close our doors to in-person instruction. Hopefully we can continue to support state and health officials as they would want schools to remain open for in-person instruction... as do we.

Thank you,

Nicholas S. Coffaro
