Dear Parents/ Guardians:

Many districts have been dealing with talk in their community as to masks being optional.

This is not the case...

As of now, we continue to uphold the mask mandate, as well as following CDC/DOH recommendations as to mask types.

While there has been some speculation as to what Governor Murphy will decide to do with regard to masks in school, our district will continue to follow all current CDC/DOH recommendations, as well as EO's by Governor Murphy.

Any change or update to any guidelines or measures, I will communicate with all as timely as I can.

Thank you,

Nicholas S. Coffaro

Superintendent of Schools
