Board Secretary

February 7, 2022

Dear Parents/ Guardians:

As you are well aware, Governor Murphy announced that effective Monday, March 7, 2022, the Public Health Emergency that drives the school mask mandate will be allowed to expire. As a result, beginning on March 7th - assuming there is no change by the state - masks will no longer be required in both Memorial School and High Mountain School, rather, they will be OPTIONAL for all staff, students, and visitors.

We ask that you continue to monitor your children for any COVID-like symptoms. Please continue to keep your child/children at home if they are not feeling well, and do notify respective school nurse as to this action.

Prior to March 7th (and thereafter if masks are still an option for your child/children), let's continue to wear masks recommended by the CDC. Let's keep our school doors open as all safety measures and health guidelines should continue to be followed. As a reminder, the lifting of the mask mandate does not mean we let our guard down.

We continue to be thankful for your support and our continued strong partnership in the North Haledon School District.

Thank you,

Nicholas S. Coffaro

Superintendent of Schools
