Debra Andreniuk
Business Administrator
Board Secretary

March 29, 2022

Dear Community Stakeholders and Families:

Hoping this communication finds all well. While we are only weeks past the lifting of the mask mandate (March 4, 2022), we continue our new road forward as our students have shown tremendous resilience as we approach the final lap months of the school year.

We want to thank all of you for supporting our school employees during these difficult times. We also want to thank all school employees for persevering and providing the best education possible despite numerous pandemic-related problems. As we have shared throughout the school year, every effort was made to keep our schools open despite some significant challenges. While the district is prepared to deal with a variety of scenarios, we will need our families to continue to work with us so that in-person instructional time is not lost.

Your partnership is vital to our progress as we are all in agreement that our school doors must remain open. For this to continue, we need you to continue your communication with school officials and personnel, as well as being proactive in terms of following recommended health and safety measures/guidelines. We are in the age of reciprocity and transparency.

I thank our student body and district wide school staff for their commitment and dedication, as well as our community stakeholders and our school community families for the support and partnership during these unconventional times. Be well,

Nicholas S. Coffaro

Superintendent of Schools
