

Preschool Supply List

Ignore if you've already sent your supplies in :)

Backpack: Full-Size Backpack – NOT toddler size – labeled with child's name
(please no rolling book bags)

Snack: Please provide your child with a daily snack. We encourage "healthy snacks".

Change of Clothes (seasonal): (including underwear and socks) please label ALL articles of clothing with your child's name and place in a ziploc bag.

Bathroom Needs (if child still needs): Diapers/pull ups and wipes. Feel free to send in a LARGE amount at a time rather than daily/weekly. We can store them in the classroom.

2 - Photos: 1st photo - Family Photo - Please send in a family photo, no larger than 4x6. We like to put all the children's family photos up for display in our kitchen center.
2nd photo - Individual Photo - Please send in a photo of your child, wallet size or small square size. We will use this photo for our attendance boards.

**** Send these materials below in small amounts ****

With little ones starting school and the first day jitters there is no need to send every supply on the 1st day. Each day for the first week, send in a separate small bag or fill their bookbags up. This will help the transition into school for everyone that first week!
